Now I'm so thankful for the work He has begun in me

Even Jesus grew in wisdom and maturity

So I will follow the example that He set for me

All ready and prepared to serve the world in which we live

Come on everybody, there is always something we can give

## **SOAR WITH YOU - Bevan Gauld, David Warby & Alana Boulle**

I feel as light as a bird  
'Cos it's a great God we serve  
No reason for any fears  
Cos Jesus dried up my tears  
I can smile when life's down  
I got my roots in firm ground  
Jesus, You made me soar  
Bring Your life more and more

### *CHORUS*

*I want to soar with You, Lord  
I want to soar way up high  
I want to soar with You, Lord  
On eagles wings I'll fly*

And now the countdown begins  
I'm in a big rocket-ship  
Here with all of my friends  
We're gonna go where He sends  
He's got plans for our lives  
Not just to live and then die  
We're gonna light up the world  
With His love and His Word

### CHORUS

Yes, our God wears the Crown  
He's the talk of the town  
And because of His power  
Nothing can keep us down  
We know that troubles will come  
He said we can overcome  
'Cos with His joy and His love  
We can all rise above
